Ratbacher
Frankfurt

Dear Sir/Madam,

I am writing to apply for the PHP Developer position which I came to know through job portal of Ratbacher. As requested, I am enclosing a completed job application, my resume, and certificate of work experience.

The opportunity presented in your company is very interesting, and I believe that my strong technical experience and education will make me a very competitive candidate for this position. The key strengths that I possess for success in this position include:

- I have successfully designed, developed, and supported Hospital Information System (ERP) using Sage ERP 300.
- I have experience in working with Image processing in Fraunhofer IGD.
- I have hands on experience in development of Smart Agriculture Apps using PHP and Angular in Lone Systems GmbH.
- And I also have academic experience with Java script and Android from projects offered in TU Darmstadt.
- I strive for continued excellence.
- I provide exceptional contributions to customer service for all customers.

With a BE degree in Computer Programming, and currently pursuing my Masters in Distributed Software System from TU Darmstadt. I have a full understanding of the full lifecycle of a software development project. I also have experience in learning and excelling at new technologies as needed. I will be finishing my studies at start of October 2019. I will be available to work after end of my studies.

Please see my resume for additional information on my experience.

I can be reached anytime via email at shiva.june16@gmail.com or my cell phone, (+49)17636968063.

Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity.

Kind regards,

Shivaraj Bheemsha Behere
